## Rotating See-Saw

An amazing see-saw that rotates on itself with incredible, sinuous movements. Simply push and go and the see-saw will 'rock and rotate' with you - a true feeling of flying! The see-saw is also fitted with a speed limiter which ensures that it does not exceed a safe speed, making it great fun for anyone over 6 years old. The main pillar is manufactured from robust stainless steel tube, with the arched support also stainless steel tube as are the seats with safety handles. Rotating structure in the upper part of the game composed of two couples of conical elements that are further joined together with a stainless tube.
