Trottola

It's a soft, round object reminiscent of the old spinning top; it can be used to add a feature to a green area or an urban space area. With its rounded shape offers a great seat and is a perfect structure for kids to play together.

Wonderfull sculptural furniture piece with his own characteristics which makes it pleasing to the eye. The possibilities for play are endless and only depend on how children decide to relate with this unusual shape. Sit down and let yourself be taken on a special journey...and discover what Trottola is able to do !!
