

Camilla Seat

The Camilla range of seating is an elegant family of products capable of being situated in any environment – internal or external. There is a whole group of seats, tables and benches to create an integrated meeting place with public and private areas in the same style.

All models are available in Ø8mm round rod or varnished hardwood. Available as freestanding or with anchor plate to bolt down using M10 bolts.

Camilla seat with park bench feel

Standard steel Camilla seat with backrest with a park bench feel.

Dimensions: 1,560mm long, sit height 420mm, overall height 780mm, depth 565mm.

Seat with armrests

The addition of armrests give this seat a more regal appearance for a longer stay. Dimensions: 1,560mm long, sit height 420mm, overall height 780mm, depth 565mm.

Camilla seat in stainless steel

The Camilla seat is now available in 304 stainless steel with a backrest and two arms either wholly stainless or with hardwood slats. Dimensions: 1,560mm long, sit height 420mm, overall height 780mm, depth 565mm.
