

FalcoPerfo Seat

FalcoPerfo is a very traditional Falco design and a stalwart of the Falco collection. Robust and utilitarian with a high resistance to vandalism, the FalcoPerfo series fits anywhere.

FalcoPerfo single seat

These hot-dip galvanised park benches are made of a tubing frame Ø 38 mm with mild-steel strip. Seat made of 2 mm thick perforated steel plate with 25x6 mm slotted holes in a zigzag formation.

The ideal bench for positioning in, for example, places which suffer from vandalism.

Dimensions: length 1,800 mm, width 760 mm, height 825 mm.
