FalcoSway Single-Slatted Seat

FalcoSway is a range of seating which combines the utilitarian styles of park benches with a galvanised steel frame. In contrast to the FalcoPark and FalcoForest ranges, the FalcoSway has a much lighter and more urban feel.

The FalcoSway seat is a simple design with two individual steel supports. The bench is equipped with 3 hardwood sitting slats 40mm thick and a single wood backrest, all in FSC certified hardwood.

The steel parts are hot dip galvanised and the seat is 1,950mm long with a sit height of 450mm.

ARTIKELNUMMER: 31.001.011

FalcoSway seat, with back rest, seat of 3 FSC hardwood parts 120x40mm and 1 FSC hardwood part for the back 190x40mm, bench length 1950mm, weight 50kg
